CONDITIONS OF SALE.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. These are the only conditions under which bids will be received.

Coins and medals are sold at so much per PIECE, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c. up to $2.50, when 10c. advance must be bid, up to $10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in a lot and you wish to pay $5.00 for the entire lot, then bid $1.00.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described.

My charge for executing bids will be 5 per cent. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

We will send a printed list of the prices realized for this sale, for $1 00 cash to be sent in advance.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.

FOREWORD.

With this varied and fine offering of over 1775 lots, Mr. Elder commences the season of 1912-13 with his Sixty-Sixth Public Sale of two sessions. Mr. Elder's sales will in the future be found to be even more interesting and important than in the past. His business is firmly established and is entirely unaffected by the movements and plans of competitors. Mr. Elder came to New York in May, 1904, and is at present located at 32 East Twenty-Third Street in the same offices that he entered on his first arrival in this city.

Those contemplating the selling of coins at public sale should remember that the prices obtained by Mr. Elder at his sales of the important D. S. Wilson, Gschwend, Mougey and Woodin Collections (totals about $60,000) have never been exceeded in this country, and he fully expects to hold these records in the future. Also, there is no class of coins or medals which these catalogues do not describe in the fullest manner, and no good coins are slighted.

In this sale will be found some unusual offerings, the most important of which is the lot of 500 foreign crowns, practically all dating before 1800, with over 100 old pieces of Saxony alone. The collections of Luther and other foreign silver medals are the most important ever offered in these sales. There is a fine lot of ancient Greek, Roman and other foreign gold and silver coins.

The American gold includes rare quarter eagles of 1796 (no stars on obverse), 1804, 1807, 1825, 1831, 1832, 1833; about fifty gold dollars, twenty of which are proofs, as well as eagles, half eagles and three dollars.

Some fine U. S. silver dollars are listed, including 1836 (3 specimens), 1839, 1858. There is a varied lot of half dollars, cents and half cents, with many fine and rare specimens, Confederate money, etc.

Send in your bids early as many orders have to be entered.

A priced catalogue of this sale of over 1775 lots, $1.50 cash in advance.

Order of Sale.—On Friday, September 27th, Lots Nos. 1 to 860, will be sold. On Saturday, September 28th, Lots 861 to the end of the catalogue will be sold.
